

With the Christmas break a couple of days away we are delighted to share with you the final AusRAIL eNewsletter for the year!

AusRAIL PLUS 2015 - "Best Stand of Show" Winners & Runners-up!

Congratulations to **Wabtec**, **Adgex** & **T6 Rail Specialists** on winning their respective 'best stand' categories, and further congratulations to **Knorr-Bremse**, **Broadspectrum** & **Interfleet** for an honourable mention as runners-up.

Wabtec - Winners of Best Custom Built Stand of 54+ Square Metres;

Judge feedback: Exceptional colour impact, product displays and welcoming, friendly staff.

Adgex - Winner of Best Custom Built Stand Under 54 Square Metres

Judge feedback: The 'Australiana' theme and use of the superb metal sculptures for marketing collateral was the highlight of this build.

T6 Rail Specialists - Winner of Best Shell Scheme (all sizes)

Judge feedback: Exceptional colour impact with this basic upgrade, but it was the attention given to the

'under-cover' judges by the staff that edged this stand out in front.

Runner-ups: Knorr-Bremse, Broadspectrum & Interfleet

AusRAIL 2015 PLUS Official Exhibition Guide - Now a digital book for post event directory use

The Official Event Guide contains the exhibitor directory from the event as well as further useful AusRAIL related information. We have made it available [online here](#) (for those that missed out on the hardcopy!)

Thank you Bombardier!

Bombardier put together a great little wrap up video that we have just published on our YouTube channel!

The technical committee comprises of David Bull (RTAA), Bill Laidlaw (RTSA), Trevor Moore (IRSE) and Rhianne Jory (ARA). Abstracts are due by the **11th March 2016** and should be forwarded to: ausrail@informa.com.au. For further details please [click here](#)

We hope you have a Merry Christmas and a Happy New Year!

[Makeover for Route 96 terminus](#)

The Council of Port Philip has endorsed a new streetscape framework for the tram terminus at Acland St, St Kilda. The renewable plan is part of Public Transport Victoria's Route 96 Upgrade project.

[Peak services to city double on South West Rail Link](#)

The South West Rail Link has been integrated into the Sydney Trains network, delivering more direct journeys to the city and twice as many services in the peak.

[Changes at top for Aurizon](#)

Queensland-based freight operator Aurizon has announced head of operations Mike Franczak will leave the company in March 2016 "by mutual agreement".

Sponsorship and Exhibition Opportunities

The AusRAIL exhibitions for the next 2 events are both around 60% sold on available space, with a wait-list for certain stand sizes reserved, which are in short supply. Ensure you contact Sponsorship and Exhibition Sales Manager [Deborah Bocock](#) early to avoid missing out on your preferred stand position.
